

Regulations concerning credits received at a university abroad within the framework of the Erasmus-plus study program

1. Before leaving the University of Wrocław for an Erasmus exchange, a student presents the Learning agreement to be accepted by the Erasmus coordinator at the Institute of History, deputy director of the Institute for study affairs and vice-dean for study affairs.
2. Any changes to the Learning Agreement that affect the study program at the University of Wrocław require approval of the Erasmus coordinator at the Institute of History, deputy director of the Institute for study affairs and vice-dean for study affairs. Proposed changes must be submitted by mail or fax by the end of October for the winter semester and by the end of March for the summer semester.
3. A student must obtain at least 30 ECTS during his semester abroad, including a minimum of 15 ECTS at a university abroad.
4. If a student during his semester abroad is going to obtain any ECTS from the courses taught at the University of Wrocław, except his BA, MA or PhD seminar, he/she needs approval of the professors who will teach these courses, Erasmus coordinator at the Institute of History, deputy director of the Institute for study affairs and vice-dean for study affairs. The approval should be obtained before the mobility starts.
5. Upon returning to Wrocław a student follows the instructions from the international.uni.wroc.pl webpage and presents his documents both at the International Office and to the Erasmus-plus coordinator at the Institute of History. The coordinator transfers credits from the university abroad to a student's account at the University of Wrocław.
